Wonderful tombs and temples, hidden until a recent investigation revealed them by the luxuriant growth of the jungle, are shown in the "Buried Treasures of Ceylon." Ruins of a city more than 2,000 years old, found by the British thirty years ago, rock tombs, hidden by vines until recently, shrines of Buddha built of brick work which has withstood the weather for 2,000 years, houses of the priests, and other interesting views were obtained by Doctor Dorsey in the island of Ceylon.
